

**Remarks**

Applicant received the Notice of Non-Compliant Amendment mailed 07/10/2007, indicating that the claims presented in the Amendment and Response filed 07/02/2007 were not presented in ascending numerical order. In particular, Applicant notes that the claim number "74" was inadvertently repeated. Accordingly, Applicant files herewith a corrected amendment, correcting the claim numbering. Applicant submits that the present set of claim amendments is compliant, and therefore respectfully requests that the amendment be entered.

Applicant further re-iterates the Remarks made in the Amendment and Response filed 07/02/2007.

Based on the foregoing, all pending claims are in a condition for allowance. Accordingly, Applicant respectfully requests reconsideration and an early notice of allowance. Should the Examiner wish to discuss the amendments or arguments made herein, Applicant invites the Examiner to contact the undersigned at (513) 369-4811 or via e-mail at [aulmer@fbtlaw.com](mailto:aulmer@fbtlaw.com).

Respectfully Submitted,
